

Amendment under 37 C.F.R. § 1.312
U.S. Application No. 10/782,864

REMARKS

The changes being made are simply editorial in nature and no question of new matter or questions of further search arise. In particular, the enclosed amendments are made merely for clarification of expression, and neither enlarge nor narrow the scope of the claims. Because the Application was allowed on the first Office Action, Applicant's did not have the usual course of prosecution to make the above noted editorial changes.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
